

About the client

Background

My name is Aiyanna Miller. I am 20 going on 21 years old, female, and I like to draw and sometimes write. I make character concepts, stories and overall designs that come from my imagination!

Creative direction

Concept

To make a working portfolio for myself for future job references

Creative outputs required

A functioning site that shows my skills and images of the many things I've created both in the past and the present
